Journey To The End of The Night

for Roxy

Come journey away to the end of the night!

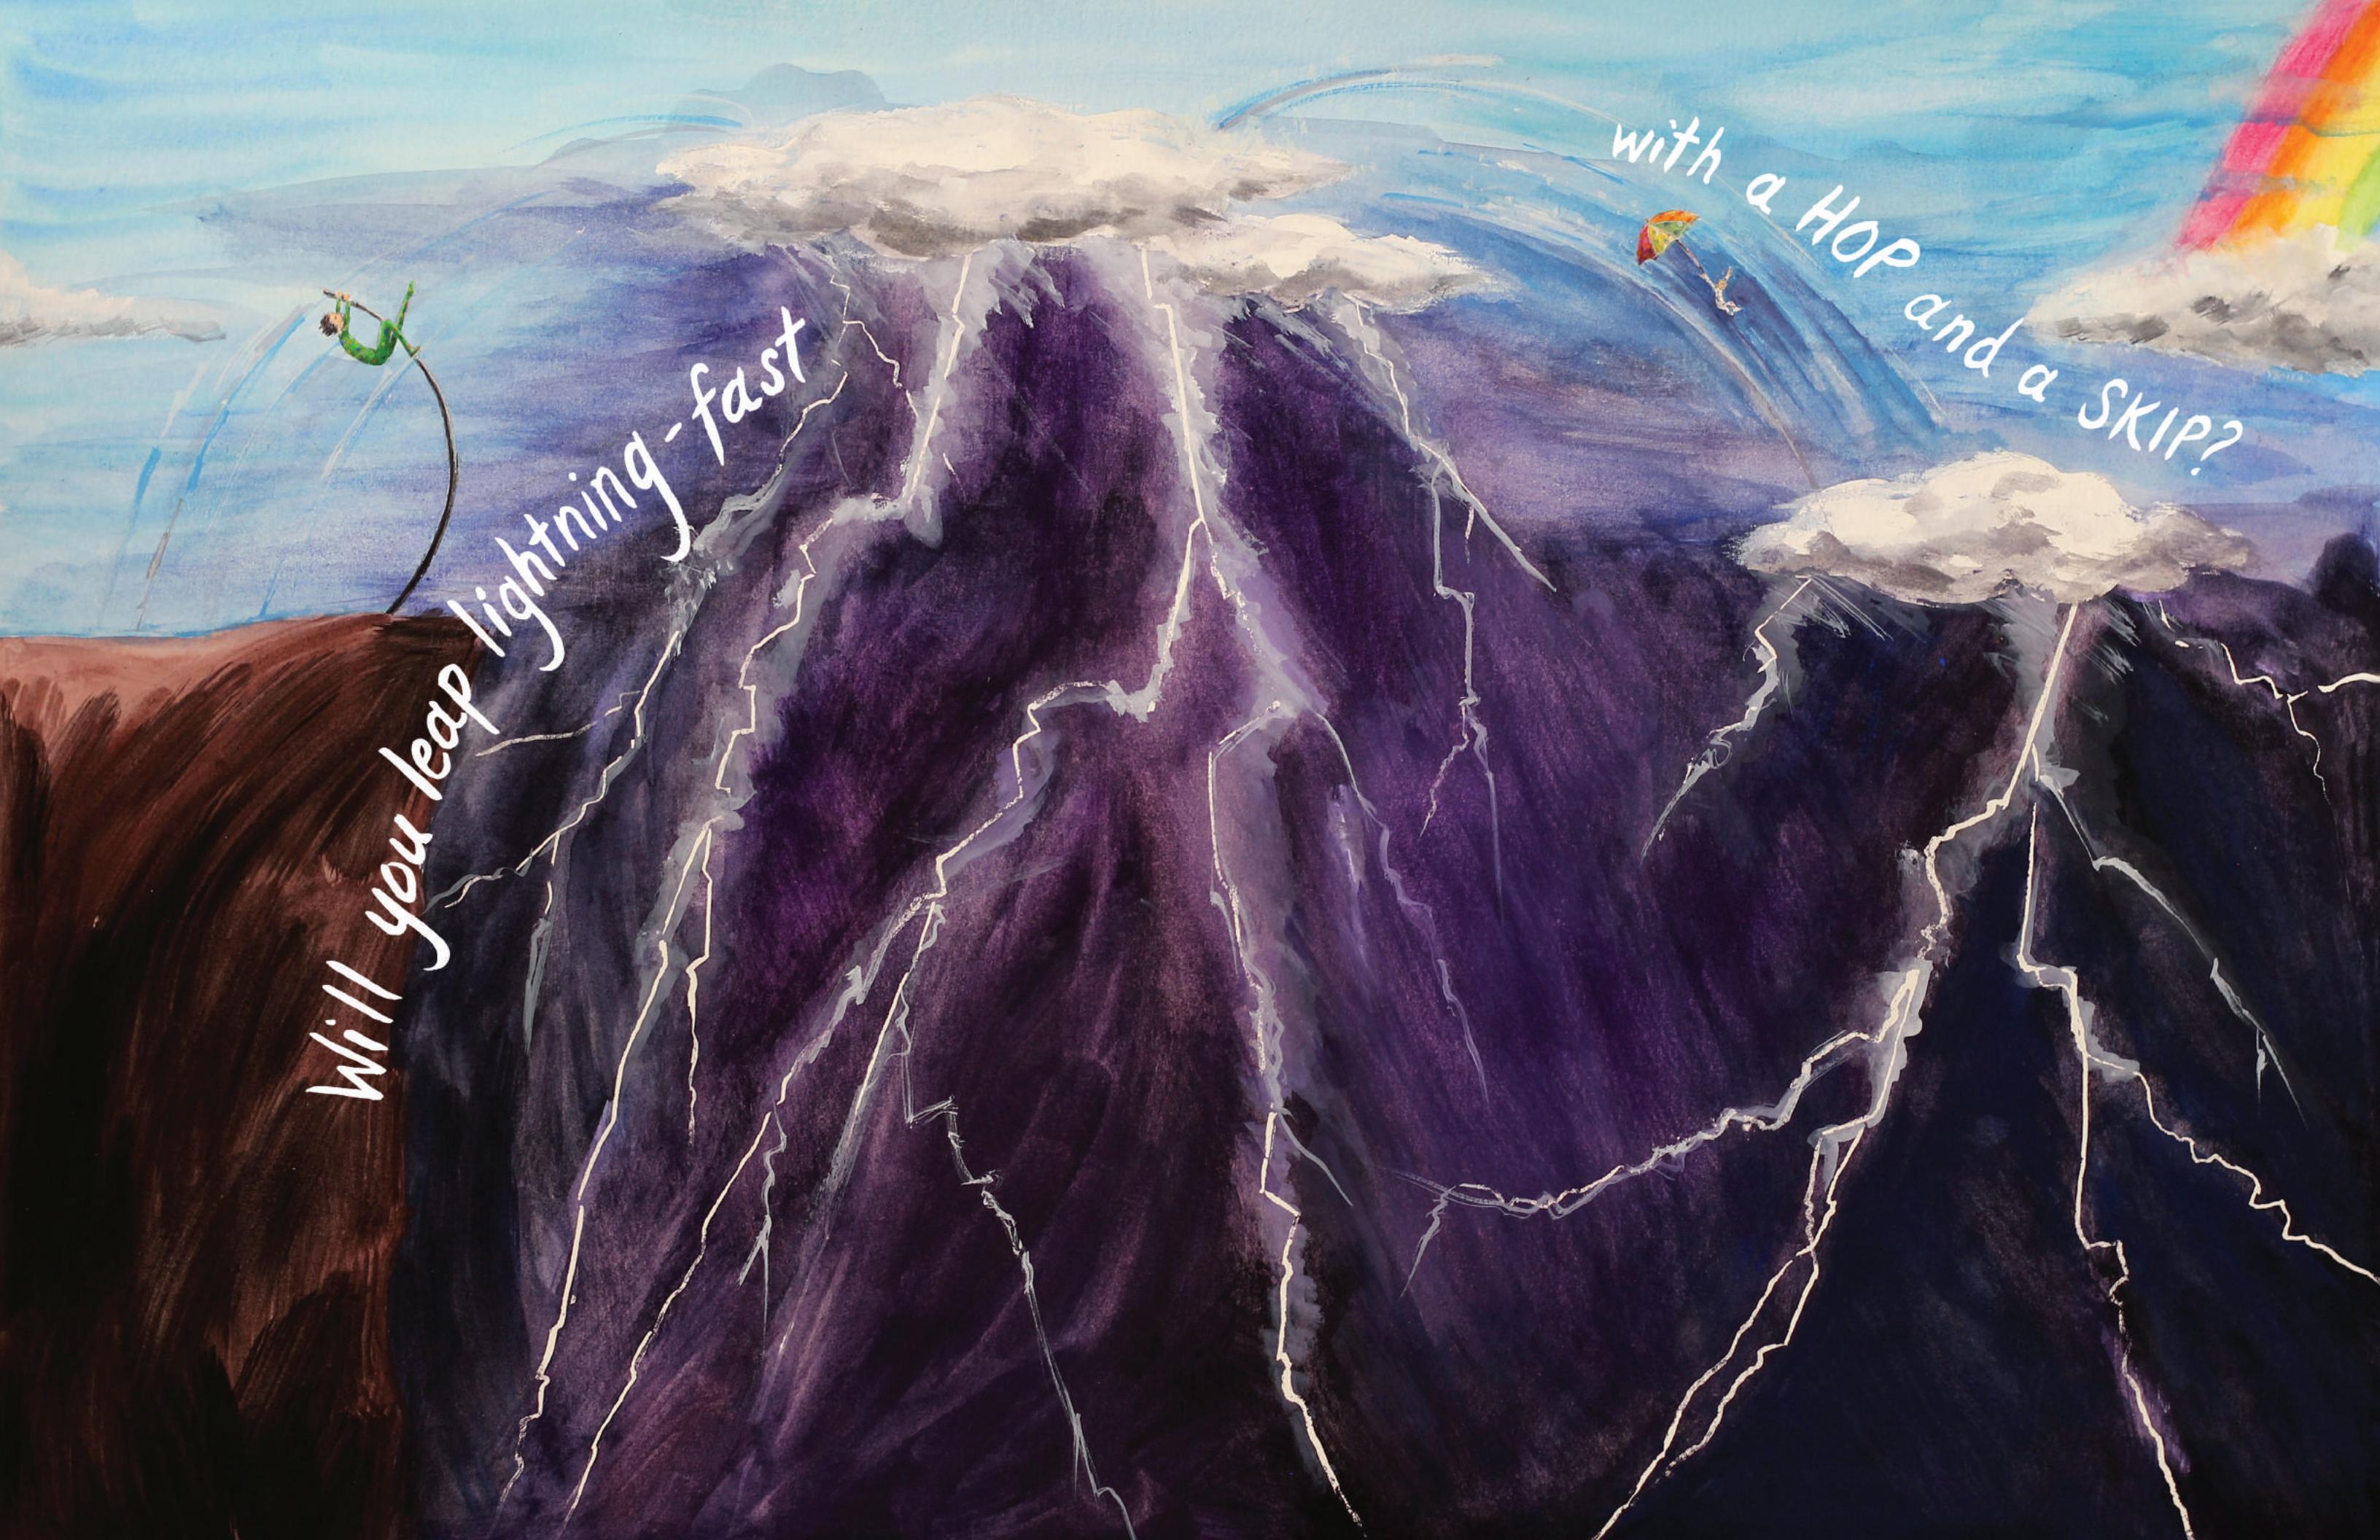

Which way will you go?

Will you take a great flight?

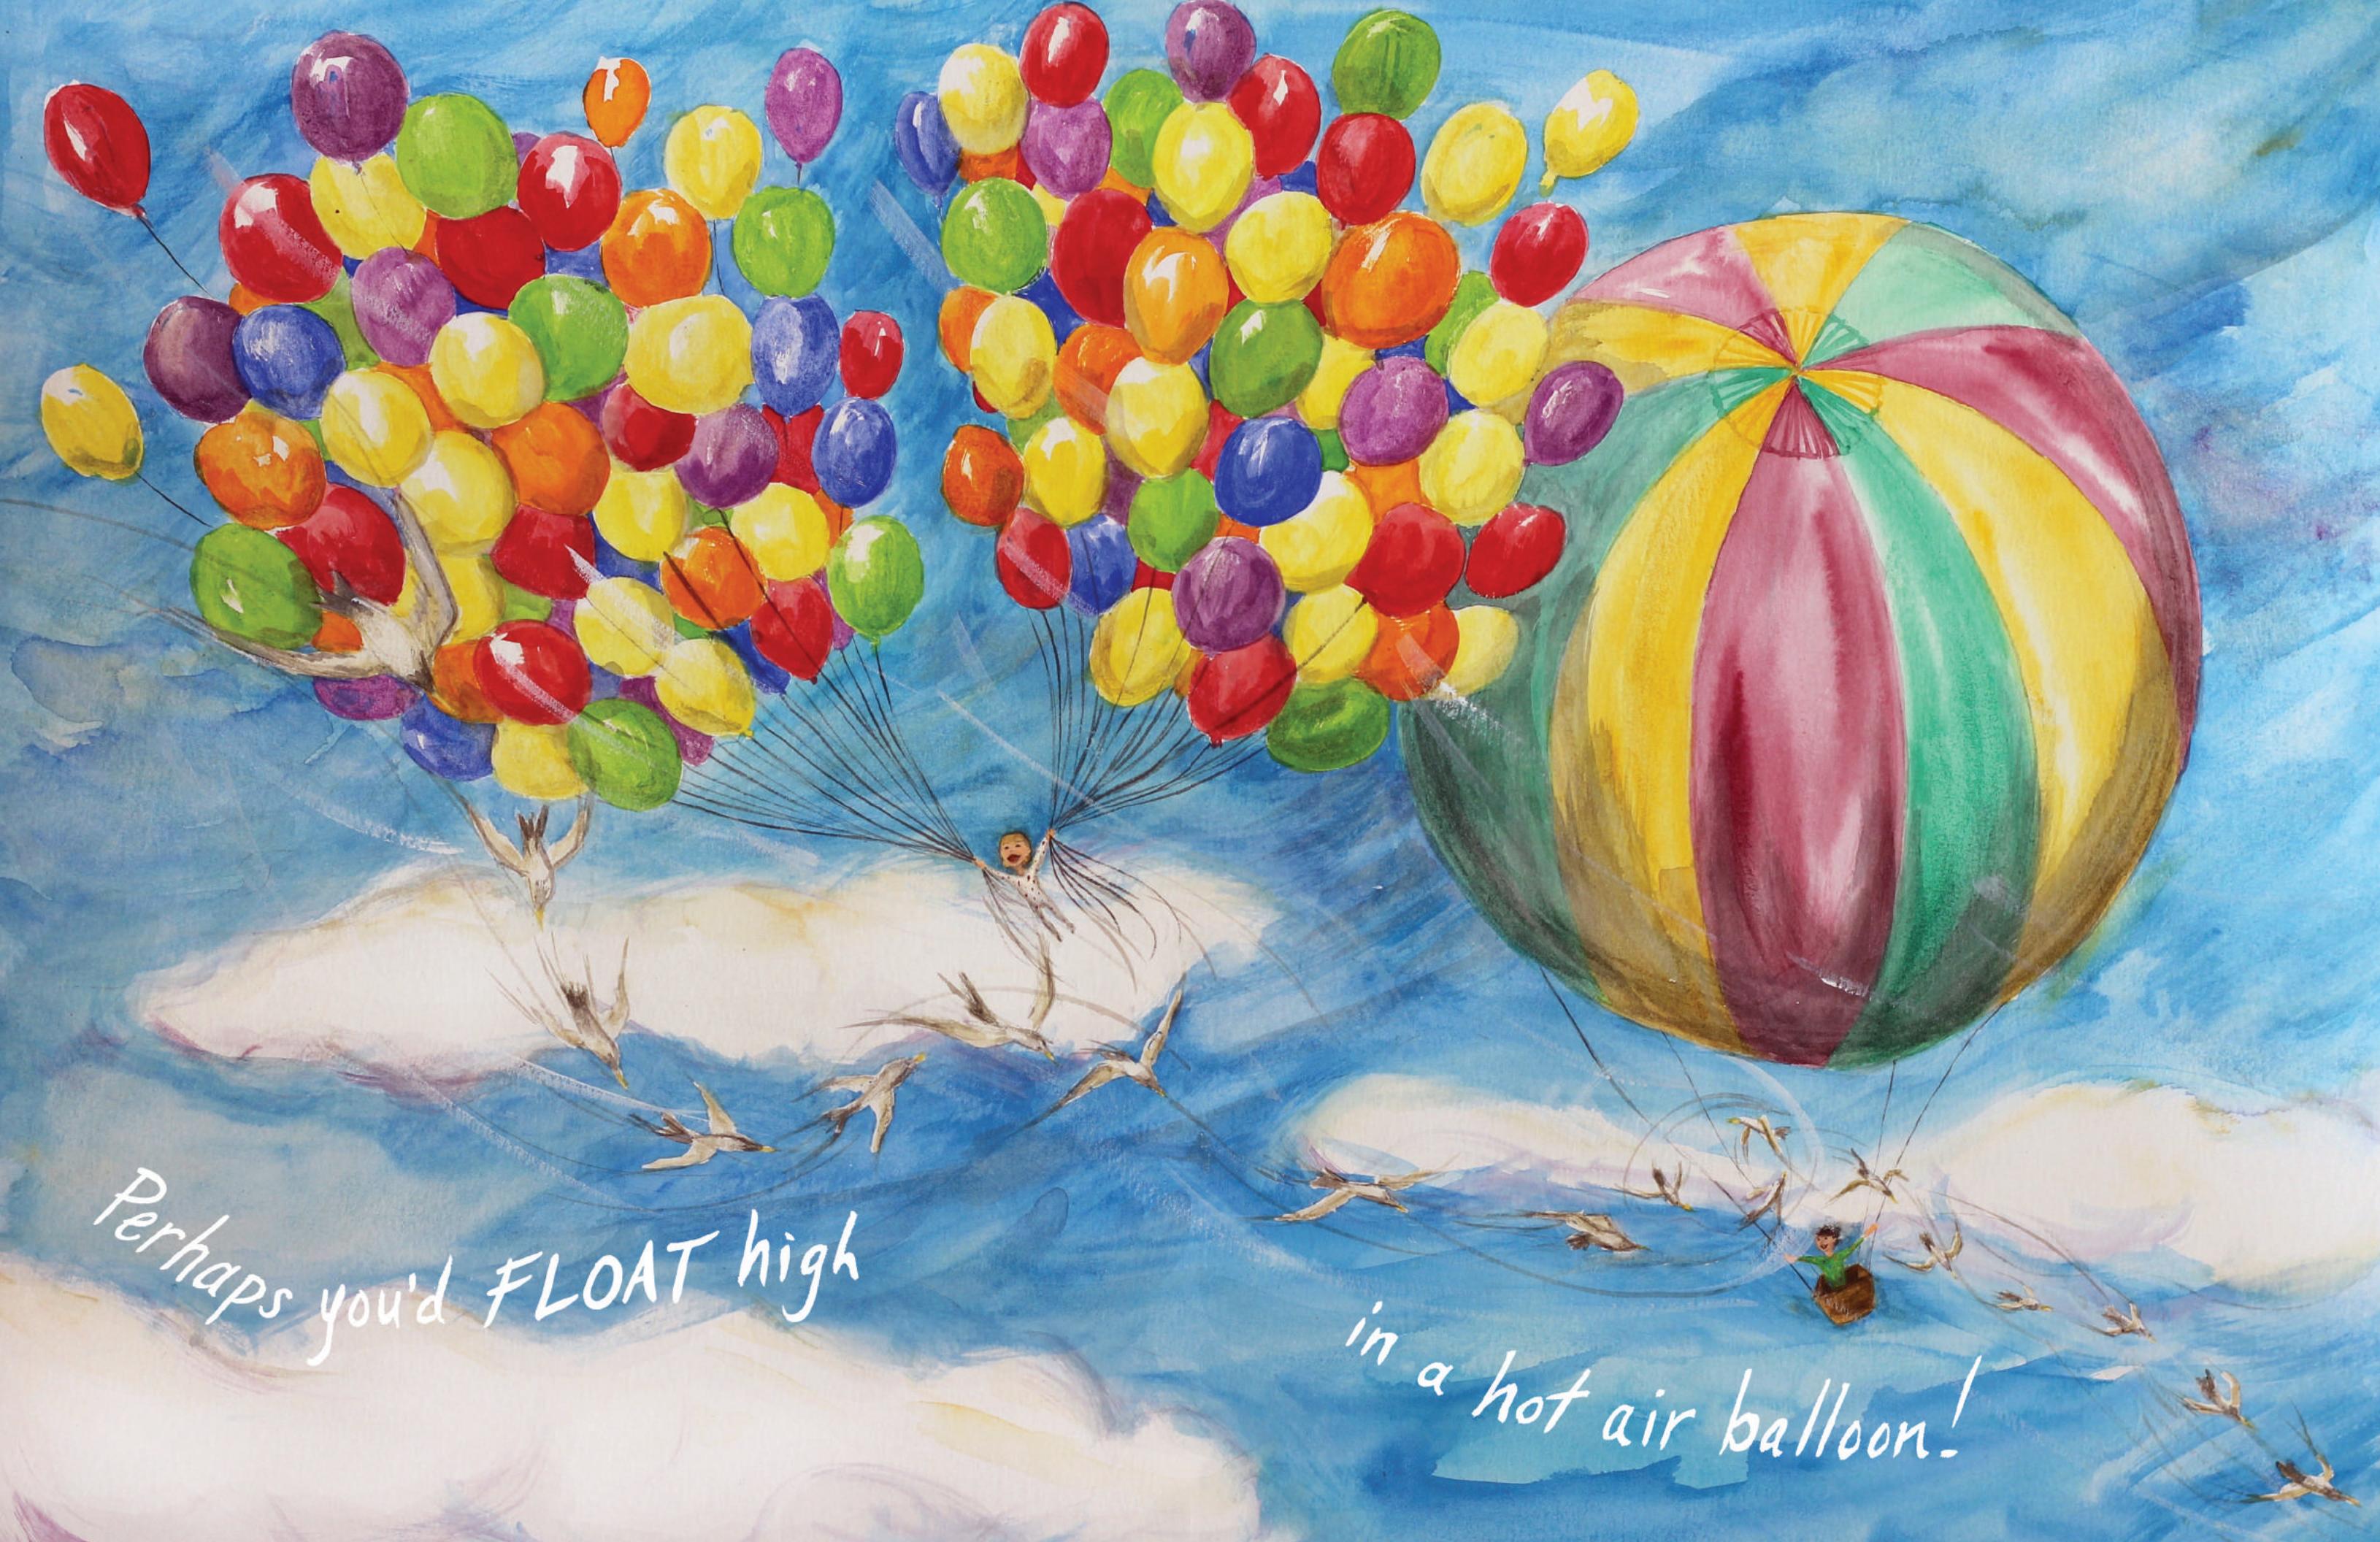

Will you
launch yourself up

on a ROCKETSHIP?

Will you leap lightning-fast

with a HOP and a SKIP?

Perhaps you'd FLOAT high
in a hot air balloon!

Or GUST like the wind
grazing over a dune

You could WHIZZ
down the slopes
on a swift pair of skis.

Or sail a grand yacht

Over vast raging seas!

Pedal FAST on your bicycle, racing down hills

Or plunge into sea caves, breathing through gills . . .

FLY on a carpet past dry desert plains

Ride a galloping horse

grasping tight to its mane?

Buzz among flowers like sweet honey bees,

Drift like a dandelion
kissed by the breeze

Will you ride on a train
with a full head of steam?

Or close your eyes softly...

yawn.

and then dream?
